Trivallis Scoring Guidance

Using a 0 – 5 scoring system:	
0	The Tenderer fails to provide a response or provides a response of such a poor standard as to provide no confidence that they meet the requirements.
1	Although the response shows many but not all of the mark 2 requirements, the Tenderer provides a response which is considered to be of a poor standard and does not provide sufficient confidence that they meet the requirements.
2	<p>A response with some clear strengths but giving some concern, because some of the following apply:</p> <ul style="list-style-type: none"> • The sub-section is only answered in part; and/or • The approach described appears to only partially meet the requirement; and/or • The approach described appears not to deliver expected levels of (as appropriate) functionality, performance, environmental performance, outcome, ease of use or other relevant characteristics; and/or • The approach does not reflect accepted good practice; and/or • The response is insufficiently specific; and/or • The supporting documents (where requested) are of insufficient quality, depth or relevance.
3	An acceptable response, with some degree of weakness but where the weakness does not cause fundamental concerns and is outweighed by the strengths.
4	<p>A good response where the strengths clearly outweigh any minor weakness(es), and the <u>majority</u> of aspects below apply:</p> <ul style="list-style-type: none"> • All aspects of the sub-section are fully answered • The approach described fully meets the requirement • The approach reflects accepted good practice <p>The response is specifically tailored to the requirements and, where relevant, to the Organisation’s specific circumstances.</p> <p>The approach offers good levels of (as appropriate) functionality, performance, environmental performance, outcomes, ease of use and other relevant characteristics; and</p> <p>The supporting documents (where requested) are of good quality, relevant and of sufficient depth.</p>
5	An excellent response with <u>all</u> relevant bullet points from a mark of 4 applying.
