

Section H. Part 3 - PRICING SCHEDULE

PRICING SCHEDULE

Tenderers must take care to ensure they provide a price for each item/element of the pricing schedule as specified below. Additional detailed breakdowns of the items included in each of the main heading listed below should be provided. Where these are included as separate documents this should be clearly referenced and included within the tender submission. Failure to complete the pricing schedule in full may result in the Tender being rejected.

In this instance, the Customer has a set budget of £100,000 and therefore bidders must submit a project proposal that is within the customer's budget. Failure to submit a proposal within the set budget will result in a Fail and the bid will not be considered.
