Housing Repairs and Maintenance Software Solution

Description of the goods or services required

Denbighshire County Council Housing Maintenance Department are undertaking a market engagement exercise with regards to a Repairs and Maintenance software solution.

We are looking for an “off the shelf” user friendly, modern solution and not looking for a system development opportunity.

We are looking to engage the market for supply of a software solution that would meet the following requirements:

Software requirements

- Record requests for and manage the progression of repairs (as a minimum)
- Asset Database
- Voids Management
- Dashboards & Reporting
- Contractor Management
- Planned Maintenance
- Compliance
- Work planning

- Materials Management

2.2

- Customer Satisfaction – Surveys, compliment and complaints
- Tenant Portal
- Contractor Portal
- Document Storage
- Finance – Job costing and ledger/PO data

Housing System

- Must interface with the Councils current housing management solution which is Open Housing provided by Capita.

Desirable

- Integrated device tracking for personal safety
- 24hr support
- Easily customisable surveys and reports
- Ability to create work groups within the system
- Option to inform tenant when operative will arrive

Demonstrations

As part of our market research we will be inviting demonstrations week commencing 10th January 2022
