Central Digital Platform

Transport for Wales will ask for your CDP sharecode during the tender, please ensure your details on the CDP are accurate and up to date before generating a new share code.

If you have not got an account on the Central Digital Platform, you can register here [Sign in - Supplier Registration Service](#)

You should generate a new share code for each tender opportunity you bid for.

Finding opportunities and registering your interest

To view and register onto any Transport for Wales tender opportunities, click on the '**Find Opportunities**' section on the home page.

If you have been invited to participate in a Framework mini-competition, skip this step and click into '**My Proposals and Quotes**'. Further guidance of next steps is available under the section *Submitting a Bid*.
