- Mae'r Cyflogwr am annog Busnesau Bach a Chanolig i wneud cais am le ar y lot yma er mwyn cyflawni gwaith megis:

- It is proposed that this new Framework will retain a lot for the provision of very small civils work for up to £75,000 in value. This will now be a regional lot, although Tenderers may specify in which local authority areas they wish to work.
- The Employer wants to encourage Small & Medium Businesses to bid for a place on this lot to undertake works such as:
 - General civil works
 - Earthworks
 - Fencing
 - Drainage
 - Bricklaying
 - Stone masonry
 - Welding / metal work
 - Kerbing
 - Bridge painting
 - Concrete repairs
 - Shuttering
 - Steel fixing
 - Emergency response works

Lotiau a Chyfyngiadau a gynigir*

- Yn amodol ar y cyfyngiadau, gellir cyflwyno tendrau am un Lot, neu mwy nag un Lot. Fodd bynnag, mae'n ofynnol i Dendrwyr sicrhau eu bod yn gallu cyflawni'r holl waith os fyddant yn dewis mwy nag un Lot.
- Ni chaiff Tendrwyr sy'n ceisio am y Lot Gwaith Sifil Bach lawn wneud cais am unrhyw Lot arall (h.y. Gwaith Sifil Bach, Canolig a Mawr a Lotiau Arbenigol). Yn yr un modd, ni chaiff tendrwyr sy'n ceisio am Lotiau Gwaith Sifil Bach, Canolig, Mawr a'r Lotiau Arbenigol, geisio am y Lot Gwaith Sifil Bach lawn. Y nôd yw parhau i ddatblygu contractwyr bach o fewn y gadwyn gyflenwi.
- Mae'r Cyflogwr yn disgwyl mai contractwyr arbenigol yn unig fydd yn tendro am y Lotiau arbenigol.

** Nodwch y gall strwythur y lotiau a'r cyfyngiadau newid cyn cyhoeddi'r tendr. Bydd manylion llawn yn y dogfennaeth tendro.*

Proposed Lotting and Restrictions*

- Subject to restrictions, tenders may be submitted for one, or a number of Lots. However, tenderers will need to ensure that they have the capacity to deliver all works should they select to bid for more than one Lot.
- Tenderers bidding for the Very Small Civils Work Lot (£0-75,000) will not be able to bid for another other Lot (i.e. Small, Medium & Large Civils Work and Specialist Lots). Likewise, tenderers bidding for the Small, Medium, Large Civils Work Lots and Specialist Lots, will not be able to bid for the Very Small Civils Work Lot. The aim is to continue developing smaller contractors within the supply-chain.
- For the specialist Lots, the Employer expects that only specialist contractors will tender.

** Note that the lotting structure and restrictions may change prior to the publication of the tender. Full details will be contained within the tender documentation.*
