

TENDER

Overview

High quality contemporary external cafe furniture comprising chairs and matching tables, suitable for installation within a publicly accessible outdoor space and intended to remain outdoors throughout the year. Furniture shall remain free-standing and moveable.

Furniture shall be of robust construction, suitable for regular public use, repeated movement and permanent external exposure. The furniture should provide a coordinated, restrained architectural aesthetic.

Chairs - 20 no

Material frame: Aluminium, powder coated (colour TBC)

Material slats: FSC certified oak or aluminium

Materials generally: suitable for permanent external exposure, including repeated wetting and drying, seasonal temperature variation and the anticipated intensity of public use.

Arm rests: not required

Back rests: required

Storage: To be stackable, and feature a stacking trolley for storage

Stability: stable during normal use and shall not present unacceptable risks of tipping, rocking or overturning when positioned on concrete block paving (existing)

Warranty: 15 years

Spare parts: replacement components shall be available from the manufacturer or its authorised supply network to facilitate repair and extend the useful service life of the furniture.

Tables - 5 no

Material frame: Galvanised steel, powder coated (colour TBC)

Material slats: FSC certified oak or steel

Materials generally: suitable for permanent external exposure, including repeated wetting and drying, seasonal temperature variation and the anticipated intensity of public use.

Shape: circular

Capacity: seating up to 5 chairs

Storage: Folding or stackable

Stability: stable during normal use and shall not present unacceptable risks of tipping, rocking or overturning when positioned on concrete block paving (existing)

Warranty: 15 years

Spare parts: replacement components shall be available from the manufacturer or its authorised supply network to facilitate repair and extend the useful service life of the furniture.

Delivery

Guaranteed delivery by 8 January 2027 at the latest required to LL24 postcode area (Betws y Coed, Gwynedd).

Tender Evaluation

Price: 60%

Quality: 40%

Quality Assessment will be based on a combination of design quality and information supplied on the following:

1. Confirmation of materials the tables and chairs are made of.
2. Description / confirmation of stability and weight.
3. Description of suitability for permanent outdoor exposure.
4. Confirmation of whether replacement components are available from manufacturer or whether authorised manufacturer repairs can be made on the products.
5. Confirmation of warranty period and whether all components are covered.
6. Confirmation that delivery can be made by 08/01/2027.

Please provide brochures / photographs and confirmation of available colour options for the proposed products.

Multiple options of different ranges (if available) can be proposed.

Tender Value

£12,500 exc VAT (estimated).

However please note, this figure is indicative only and should not be taken as a definitive or expected price. Suppliers are expected to submit pricing that reflects their own assessment of the products offered which would best fit the brief and what they consider fair and appropriate, regardless of the figure on the Notice.

Eligibility

Suppliers wishing to participate in this procurement must be registered on the UK Find a Tender Service (FTS) central digital platform. Registration requires the creation of a GOV.UK One Login and the completion of organisational details, including company information, contact details, and standard supplier declarations. Suppliers are encouraged to ensure their profile is fully completed and up to date, as this information may be used to support tender submissions and reduce the need for repeated data entry.

[Short Video Guide on How to Register on FTS](#)

To submit a tender for this Notice you will need to provide:

Confirmation of your **Unique Identifier type and Identifier Number**.

(A unique identifier is a permanent reference that identifies your organisation, such as a Companies House registration number, VAT number etc., or the Procurement Organisation Number you were assigned upon registration if you have none of these. This information is used to confirm your legal identity and remains consistent across all procurement processes.)

Tender Submission

Please send tender via e-mail to submissions@snowdonia.gov.wales by **12 p.m. Monday, 9 November 2026**.

Please note that the submissions@snowdonia.gov.wales e-mail address is specifically for opening tenders after the deadline. It is not monitored outside of these times and cannot be used for general enquiries.

Please submit any questions via the Sell2Wales Question and Answer facility on this notice.

Please note that requests for individual meetings and / or calls to discuss this Notice cannot be accommodated.
